About FOSTIIMA

FOSTIIMA - A UNIQUE B-SCHOOL

FOSTIIMA was established in 2007 by the alumni of IIM Ahmedabad (FOSTIIMA is an acronym for Friends Of Seventy-Three batch of IIMA) with the aim of providing quality management education benchmarked to the IIMs.

FOSTIIMA provides an IIM atmosphere and excellent career opportunities to those who have not been able to make it to the IIMs.

FOSTIIMA has the largest group of IIM Ahmedabad graduates working together with the sole intent of giving back to the society. Not only is it founded and managed by IIMA alumni, today more than 35 IIM / IIT alumni are directly providing inputs at FOSTIIMA – in management, curriculum design, content development and as faculty. They bring with them their vast corporate experience, industry best practices and global business perspectives to FOSTIIMA students.

At FOSTIIMA, we take great pains in mentoring students with the sole objective of grooming them to their peak potential so that they can carve out a successful career for themselves and also make a positive contribution to the society, business and industry.

FOSTIIMA Differentiators – Total IIMA Flavour

FOSTIIMA STRENGTHS

PRACTICAL MANAGEMENT EDUCATION

Management education at FOSTIIMA focuses on developing the analytical skills of students to help them to analyze management problems from multi-functional perspectives and to provide them a practical perspective of management to enable them to apply text-book management concepts and techniques to practical situations that they are likely to encounter in their work-life.

The FOSTIIMA course curriculum is benchmarked to IIMs. It is contemporary, in tune with the needs of the industry and is focused at making the students job ready. The curriculum is updated at regular intervals based on inputs from eminent academicians and industry experts. Care is exercised to encapsulate knowledge inputs in all new and emerging areas. FOSTIIMA offers Dual Specialization to its students with each specialization having equal importance.

The areas of specialization are:
1. Marketing
2. Finance
3. Human Capital Management
4. Operations
5. International Business

In addition to core and specialization subjects, the curriculum includes a number of cutting-edge subjects such like Business Analytics, Digital Marketing, New Trends in Marketing, Emerging Technologies, etc.

ADDITIONAL CERTIFICATES

FOSTIIMA students are provided the opportunity to study additional courses such as Predictive Analytics, Six Sigma Green Belt, etc. which further enhance their job prospects. Separate certificates are provided for the advanced study of these courses to those students who qualify by passing the exams with greater than 75% marks.
FACULTY
The FOSTIIMA Faculty is a special strength of the Institute. Almost all the faculty members are alumni of the IIMs who have several years of experience in the corporate world as senior managers at positions like Vice President, President, CDO or even Managing Director. They share their rich, practical experience with FOSTIIMA students in the class. Thus, a FOSTIIMA class is a unique mixture of theory and ‘Experiential Learning’, a methodology adopted by the best B-Schools in the world like Harvard, Stanford and the IIMs. This helps a FOSTIIMA student becoming practical and job ready even before completing the program.

LOCATION
It is absolutely SAFE FOR FEMALES 24*7
Dwarka is easily accessible from all parts of Delhi and NCR by Delhi Metro, autos, buses and taxis.

The nearest Delhi Metro station is Sector – 9, Dwarka on Blue Line just about 5 – 10 minutes walking distance from the FOSTIIMA Campus. Local conveyance is also easily available at the Sector – 9 Metro Station and outside FOSTIIMA Gate.

AWARDS, HONOURS & ACCOLADES
FOSTIIMA has received many prestigious awards and honours regularly year after year

CORPORATE/INDUSTRY INTERFACE
FOSTIIMA retains the contemporary edge of its curriculum delivery through regular interactions of its students with corporate leaders through Webinars / Knowledge Sessions / Industry Experts Lectures / Conclave / Seminars / Conferences. These interactions give FOSTIIMA students an insight into various industries and contemporary issues of global and national importance.

With our ready access to the IIM-Alumni Network world-wide, we are leveraging this unique advantage to make available to FOSTIIMA students the wealth of intellectual capital of these IIMA alumni spread all over the world in the on-line mode which was earlier not possible in the physical mode through Webinar-cum-Knowledge Sessions.

PERSONALITY DEVELOPMENT
FOSTIIMA lays great emphasis on personality development, improvement of communication skills and soft skills training along with academics which helps even shy and diffident students to come out of their shells and develop an open, outgoing and confident personality.
ENTREPRENEURSHIP DEVELOPMENT CENTRE

FOSTIIMA Business School has set up an Entrepreneurship Development Centre at the Campus to help the students with entrepreneurial aspirations to start giving shape to their business idea even while pursuing their PGDM education.

INTERNATIONAL EXPOSURE & EDUCATIONAL TRIP

FOSTIIMA provides its students an opportunity to broaden their vision and develop their personality by an Exposure-cum-Educational International Trip to give them a first-hand experience of interaction with foreign students and their Faculty.

The main purpose of the trip is to showcase to the students the international culture and business environment at a selected location either in the Middle East or Far East.

While the trip structure entails cross-cultural heritage and constructive relationship building to facilitate globalization of Indian business, it is also a lot of fun for the students. Last year the students were taken to Dubai.
Team Building & LEADERSHIP CAMP

Every year the students go for a Team Building Camp in an exotic location in the Himalayas, in the state of Uttarakhand. The camp is set up in a multi-facility area. Small groups are sent out in batches in order to achieve maximum learning.

The students participate in many activities such as Rappelling, River Crossing and Hiking amongst others. One of the team building activities includes taking over the camp kitchen and preparing their own meal!

The students are also encouraged to live in an eco-friendly manner and reduce their carbon footprint. The camp is organized and managed by an IIM(A) Alumnus, Samir Bhatia, a reputed international trainer. Over the years, students have been to Manali, Jim Corbett National Park and Rishikesh.

FOSTIIMA PLACEMENTS

FOSTIIMA students have been enjoying outstanding placements for the past many years. Placements are not only 100% but are of exceptional quality with good profiles at attractive scales in reputed organizations.

FOSTIIMA maintains close contacts with corporates through its wide network of PAN IIM-IT Alumni, who command leadership positions in prominent Indian and MNC corporations. Through the network, FOSTIIMA ensures Campus Placements of its students in various companies across sectors at attractive packages commensurate with their talent.

Summer Internships of FOSTIIMA students are stipend based paid with stipends up to Rs. 80,000 for 2 months.
