FACULTY
The FOSTIIMA Faculty is a special strength of the Institute. Almost all the faculty members are alumni of the IIMs who have several years of experience in the corporate world as senior managers at positions like Vice President, President, COO or even Managing Director. They share their rich, practical experience with FOSTIIMA students in the class. Thus, a FOSTIIMA class is a unique mixture of theory and 'Experiential Learning', a methodology adopted by the best B-Schools in the world like Harvard, Stanford and the IIMs. This helps in a FOSTIIMA student becoming practical and job ready even before completing the Program.

CORPORATE / INDUSTRY INTERFACE
FOSTIIMA retains the contemporary edge of its curriculum delivery through regular interactions of its students with corporate leaders through Webinars / Knowledge Sessions / Industry Experts' Lectures / Conclaves / Seminars / Conferences. These interactions give FOSTIIMA students an insight into various industries and contemporary issues of global and national importance.
With our ready access to the IIM-Alumni Network world-wide, we are leveraging this unique advantage to make available to FOSTIIMA students the wealth of intellectual capital of these IIMA alumni spread all over the world in the on-line mode which was earlier not possible in the physical mode through Webinar-cum-Knowledge Sessions.

ENTREPRENEURSHIP DEVELOPMENT CENTRE

FOSTIIMA Business School has set up an Entrepreneurship Development Centre at the Campus to help the students with entrepreneurial aspirations to start giving shape to their business idea even while pursuing their PGDM education.

The FOSTIIMA EDC was inaugurated by Dr. Anil D. Sahasrabudhe, Chairman, AICTE

INTERNATIONAL EXPOSURE & EDUCATIONAL TRIP

FOSTIIMA provides its students an opportunity to broaden their vision and develop their personality by an Exposure-cum-Educational International Trip to give them a first-hand experience of interaction with foreign students and their Faculty.

The main purpose of the trip is to show case to the students the international culture and business environment at a selected location either in the Middle East or Far East. While the trip structure entails cross-cultural heritage and constructive relationship building to facilitate globalization of Indian business, it is also a lot of fun for the students. Last year the students visited to Dubai.
TEAM BUILDING & LEADERSHIP CAMP

Every year the students go for a ‘Team Building Camp’ in an exotic location in the Himalayas, in the state of Uttarakhand. The camp is set up in a multi facility area. Small groups are sent out in batches in order to achieve maximum learning.

The students participate in many activities such as Rappelling, River-Crossing and Hiking amongst others. One of the team building activities includes the students taking over the camp kitchen and preparing their own meal!

The students are also encouraged to live in an eco-friendly manner and reduce their carbon footprint. The camp is organized and managed by an IIMA Alumnus, Samir Bhatia, a reputed international trainer. Over the years, students have been to Manali, Jim Corbett National Park and Rishikesh.
